Reporting to:	Leading Hand / Charge hand
Location:	On-site
Working hours:	Monday to Friday
Salary:	Up to £27,000 depending on experience
Contract:	Permanent appointment
Start date:	ASAP

Company Background

An exciting opportunity has arisen within Acrastyle as an Electrical/Mechanical Fitter in our production department!

Acrastyle Ltd. is an engineering company which designs, manufactures, and tests high-voltage sub-station protection and control equipment.

Since 1962, we have earned a unique reputation for superior product quality, outstanding technical expertise and excellent customer service.

We are looking for the right person to join us in expanding our engineering services nationally.

The role

The role primarily involves the wiring and installation of equipment within Acrastyle's bespoke products, such as Control and Protection Panels, Marshalling Kiosks, Wall Boxes & Battery Charger Cabinets. Ideally, you will have gained previous experience in wiring, however we will provide full training for the right person. You must have proven experience of working well within a team with the initiative to work independently. You will have a good ability to manage your own work load, have attention to detail and the ability to establish positive working relationships within your team.

As an Equal Opportunities employer we welcome applications from all suitably qualified persons regardless of their race, sex, disability, religion/belief, sexual orientation or age. We have the right to close this vacancy early if a suitable applicant is appointed, or a high volume of suitable applications is received.

Responsibilities include, but not limited to;

- The wiring and assembly of cubicles, front sheets, wall boxes and kiosks to detailed wiring diagrams and specifications
- Liaise with all internal stakeholders to ensure the effective delivery of the project
- Attend site visits to provide installation services to customers
- Identify technical issues and shortages to Leading Hands
- Undertake both in-house and external training courses to maintain and improve Health & Safety, Product and Technical skills when required

In return, we can offer a competitive salary along with employee benefits;

- Additional holidays (32 days per year pro rata inc bank holidays)
- Flexible working
- Early finish on a Friday
- Long service awards
- Loyalty day bonus's
- Company sick pay scheme
- Enhanced maternity scheme
- On-site parking
- Company Mental Health First Aider
- Ongoing engagement activities
- Internal and external training opportunities
- Early Pay
